

KENTUCKY COMMUNITY CRISIS RESPONSE TEAM

GETTING THE WORD OUT!

A priority for 2024 is getting the word out about KCCRT, the services we offer, and how we can support our first responders and communities. We need your help to identify potential trainings or conferences that KCCRT could potentially attend. If you know of an upcoming first responder gathering, conference, or training, please email the details to kcrt@ky.gov.

YOUR IMPACT MATTERS

Following a recent response, the leadership of the requesting organization conveyed their gratitude for the valuable services we provided to their first responder team. **I want to express how incredibly worthwhile and impactful your commitment is to our first responders and communities.** Your time and energy are investments in the well-being of our first responders and communities, and believe me, it pays off. **Your commitment is beyond valuable,** and I want each of you to know just how much it means.

January Stats:

Number of response requests: **3**
Number of people served: **36**
